SIR,

With reference to Law Secretary's letter No L 11713 dated 5-6-1945, calling for certain information in the matter of increasing the pay of the kalihat gangmen and Daffedars attached to the Health Department of this Municipality, I have the honour to furnish the same hereunder -

1 What is the pay given to the gangmen and daffedars in the Engineering Section of the Municipality?	The gangmen of the Engineering Department are each getting either Rs 10/- or 12/- per month and there is no appointment designated as Daffedar in the Gang Establishment of that Section
2. If the present proposal is sanctioned, does it not mean that there would be similar requests from the other side for increase which cannot be easily resisted?	No such contingency is apprehended The work of the Kalihat gang attached to the Health Section is particularly onerous and exacting as already explained in this office letter No 15 C 653/44 dated 10-2-45 This gang is a special gang and its work cannot be compared with that of the other gangs
3 Having regard to the enhanced dearness allowance granted recently to these menials, is it necessary to consider the question of increasing the pay &c?	The increase is necessary for the reasons given in answer to question 2

2 The expenditure on this account will be only Rs 204/- per annum and will be provided in the budget annually.

I have the honour to be,
